05 Application information

Intended applications	Liquid Storage & Handling
Industries	Dairy & Beverage Processing

06 Supply and support

Typical lead time	10–15 working days
Warranty	12 months

07 Frequently asked questions

Which capacities are available?
The range includes 15L, 20L, 25L, 30L, 40L and 50L capacities.

What is supplied on the standard milk can?
The standard can has a satin-brushed finish, fitted drop-on lid, two drum-type handles, smooth-ground welds and a reinforcing base rim.

Can the lid options and polished finish be combined?
Yes. Toggle latch with seal, polished mirror finish and connecting chain can be selected independently, including any combination of all three.

Are the toggle latch and seal separate upgrades?
No. The toggle latch and lid seal are supplied together as one upgrade.

What does the connecting chain do?
The optional chain connects the lid to the can. The selected model details show whether it is included.
