01 Product description and specification

Product description	The K55688 heavy-duty milk can is manufactured from Grade 304 stainless steel for milk storage and handling. Construction includes smooth-ground welds, a reinforcing base rim, a fitted lid and two drum-type handles. Choose one capacity: 15, 20, 25, 30, 40 or 50 litres. The standard can has a satin-brushed finish and a drop-on lid. Three upgrades are available independently: toggle latch and seal, polished mirror finish, and a connecting chain attaching the lid to the can. Choose any combination of these upgrades, including none or all three. Toggle latch and seal are supplied together as one upgrade.
